POLICY

The Board of Fire Commissioners of Thurston County Fire Protection District No.5 & 9 is the corporate entity established by law in the State of Washington to provide fire prevention services, for suppression services, emergency medical services and for the protection of life and property in the district. The fire protection district, a municipal corporation within the laws of the state, possesses all the usual powers of a corporation for public purposes.

The policies of the board define the organization of the board and the manner of conducting its official business. The board's operating policies are those that the board adopts from time-to-time to facilitate the performance of its responsibilities.
