

Subject:	Consultants
Section:	PPG# 1240
Chapter:	Board of Fire Commissioners
Effective Date:	8/10/89

1.0 POLICY

- 1.1** When knowledge, legal, or technical skills are needed that cannot be provided by persons on the staff, the chief shall prepare a description of the required services together with an estimate of the time and cost to be incurred for consideration by the board.

Upon approval of such consultant services by the board, the chief will be authorized to engage in consultant services, paid or unpaid, within the budgetary limits specified by the board.
